

Le Grain de grenache

IGP Vacluse

Grapes varieties & 'terroir'

100% Grenache !

Sandy loam from Ouvèze riverside.

Young vines offering generous yield :40hl/ha.

Vinification & ageing

destemming and fermentation with indigenous yeasts

in order to stick to the origin: the grape.

A short vatting period allows to keep as much fruit as possible, without any sulphur added until bottling on the estate.

Ageing in concrete tanks up to 10.000 bottles,
available in March.

Tasting

Bright red colour, nose suggesting crispy and juicy fruit freshly pressed. The mouth is gentle with cherry and red berries aromas.

Enjoyable for an aperitif as well as to pair with a proper meal, a simple and delightful moment !
